## **Preface**

Product Attachment is a perfect extension for store owner who wants to attach some file or document with the products. Now a day how to use product or product related instruction are must inform to customer, so it's require that admin inform customer through document or any other way. So ProductAttachment is a most important extension for the store owner.

- Easy to create attachment and can select multiple product for one attachment.
- Admin can create multiple attachment and assign to multiple products.
- owner can attach any type of document or image with the products.
- admin can assign multiple attachment to single products also.
- In front product view page if there is any attachment then display that attachment into the attachment Tab otherwise tab is not displayed.
- Easy to configure extension.

## Installation

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually Install extension.

### **Option 1:** Magento 2 install extension using COMMAND LINE

(Recommended) Follow below steps to install extension from the command line.

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

**Step 3:** Disable the cache under System -> Cache Management.

**Step 4:** Enter the following at the command line: `php bin/magento setup:upgrade`

**Step 5:** Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Advanced -> Advanced, the module will be displayed in the admin panel.

### **Option 2:** Magento 2 install extension manually

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

**Step 3:** Disable the cache under System -> Cache Management Edit `app/etc/config.php` file and add one line code:

`'Mageants_ProductAttachment' => 1`

**Step 4:** Disable the cache under System -> Cache Management

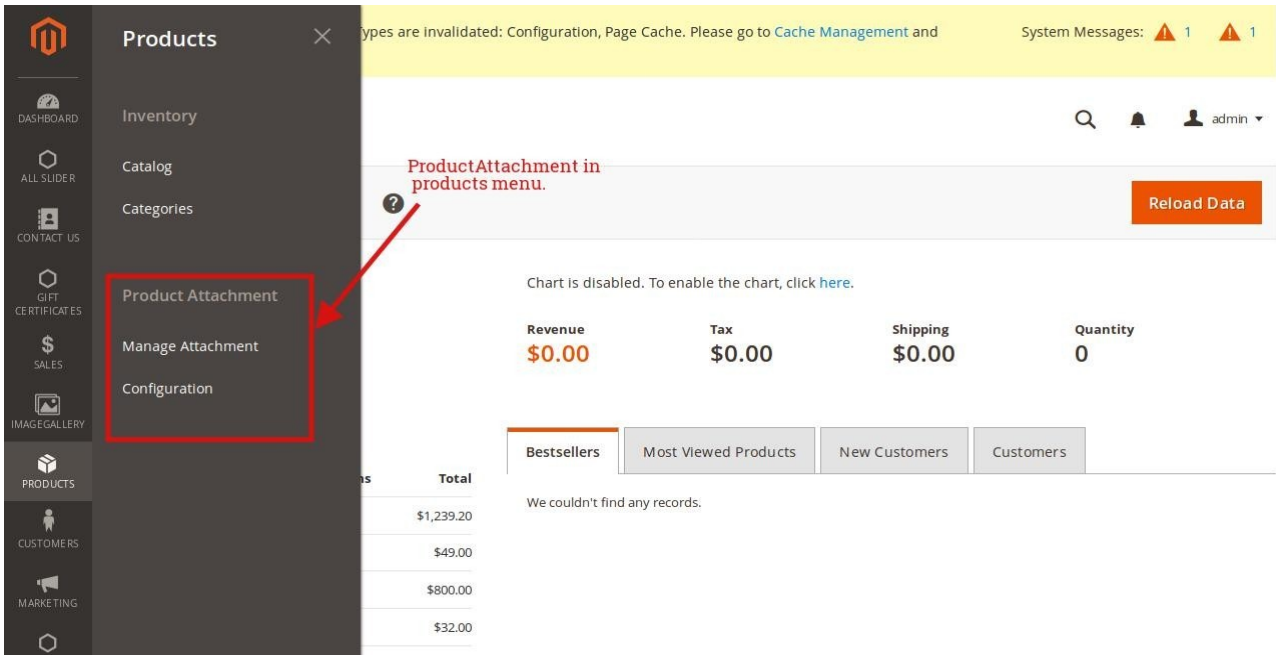

**Step 5:** Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Advanced ->

Advanced, the module will be displayed in the admin panel.

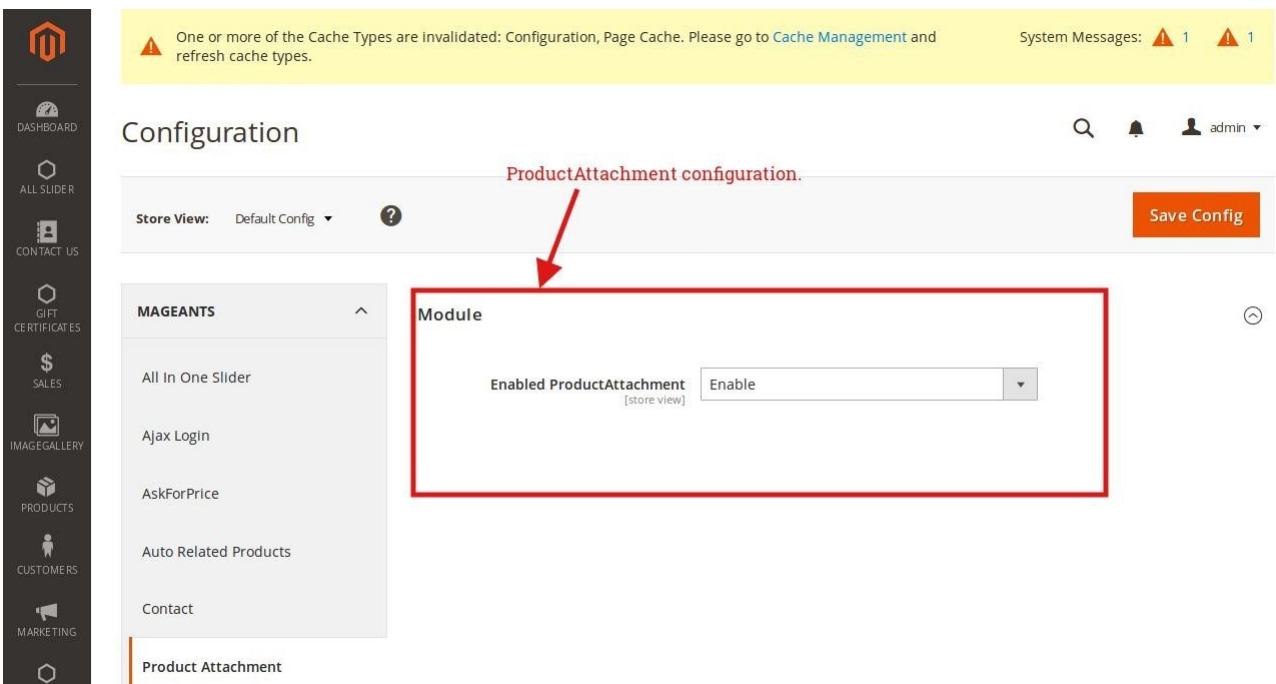

# Configuration

After Installation of Extension log in to magento admin panel for set configuration of the extension.

Extension menu and sub menu:

As per below screen shots you can Enable/Disable extension.

## Back-end Example:

To set no. of Attachemnt on Products Please go to Products -> Manage Attchemnt there you can see list of all Attachemnt which added by you & click on **Add Attchemnt** button for the add new attchement.

The screenshot displays the 'Attachment' management interface in the Magento back-end. The page title is 'Attachment'. On the right side, there is a search icon, a notification bell, and a user profile icon labeled 'rock'. Below the title, there is a search bar with the placeholder text 'Search by keyword' and a magnifying glass icon. To the right of the search bar is a red button labeled 'Add New Attachment'. Below the search bar, there is a 'Filters' button, a 'Default View' dropdown, and a 'Columns' dropdown. The main content area shows a table with the following data:

ID	Description	Product Id	Thumbnail	File	Created At	Updated At	Sort Order	Status	Action
1	New Products	2046		New Products	Jul 15, 2019 9:06:06 AM	Jul 15, 2019 9:06:22 AM	0	Enabled	Select

The footer of the page contains the text 'Copyright © 2019 Magento Commerce Inc. All rights reserved.' and 'Magento ver. 2.2.9' with a link to 'Report an Issue'.

Here you can set your basic info and Attach file for product attachment.

## Front-end Example:

Product Attachment into product page.

The screenshot shows a product page with a main image of a pair of shorts and two smaller inset images. A quantity selector shows '1' and an 'Add to Cart' button. Below these are links for 'ADD TO WISH LIST', 'ADD TO COMPARE', and 'EMAIL'. A navigation bar contains tabs for 'Facebook Comment', 'Attachment', 'Details', 'More Information', and 'Reviews (3)'. The 'Attachment' tab is active, displaying a table of attachments. A red box highlights the table, and a red arrow points from the text 'Attachment in a Products Attachment tab' to the table.

No.	File	Description
